## Think about it...

- 1) What is *your* opinion about the Wars on Terror (Iraqi War and the Invasion of Afghanistan)? Who do you think is winning these wars?
  
- 2) Do you support the U.S. government's decision to fund and send troops to these conflicts? If the U.S. leaves this country what will happen to the citizens?
  
- 3) What is the most *memorable* thing you learned today?
  
- 4) How did you *feel* about what you learned today?
